DETAILED ACTION

Drawings

1. The application have been allowed, formal drawings are required in response to this Office action.

Allowable Subject Matter

2. Claims 1-20 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-14 is the inclusion of the limitation of a module centrally disposed within the headrest for receiving RF signals. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claims 15-18 is the inclusion of the limitations of the headrest portion having an interior compartment; and an antenna centrally disposed within the interior compartment for receiving RF signals. It is these limitations found in each of the claims, as they are claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claims 19-20 is the inclusion of the limitation of an antenna centrally disposed within the headrest, the antenna capable of receiving RF signals from the RKE device. It is this limitation found in each of the
